### **OhioDIG Fall meeting Notes**

**FALL 11:15am-1pm, Tuesday, November 14, 2006. "Capture and Cataloging of Digitized Ohio Government Documents in the Content Cooperative"**

**Speaker:** Kathy Hughes and Nicole Merriman, State Library of Ohio

**Host:** Kathy Hughes, State Library of Ohio

Fourteen attendees, several from the State Library. Other institutions represented: OhioLINK, Ohio Historical Society, Ohio State University, Ohio University, Worthington Public Library.

We met at the State Library of Ohio (SLO) for a presentation by catalogers Kathy Hughes and Nicole Merriman on the SLO's participation in OCLC's Content Cooperative (Beta) and OCLC's Digital Archive. SLO is using Content Cooperative to catalog and serve up digitized versions of paper Ohio Documents, while it uses the Digital Archive to catalog, capture, and serve up born digital Ohio Documents. Integrated into the OPAC, it is transparent to the end user.

Examples of SLO bibliographic records with archived digital content that we looked at, or worked on, during the meeting:

Purchasing credit for exempt service under the Public Employees Retirement System, OCLC 75966314 (<http://slonet.state.oh.us/search/o?SEARCH=75966314>)
