First name	Last name	Notes	Institution	Email Address	Position & Department	What project might you give an update on?
Sean	Martin	I have been asked to coordinate the digitization of two large collections that are part of the Jewish Archives here at WRHS. These collections are from two prominent rabbis, Abba Hillel Silver and Daniel Jeremy Silver. This comes at the request of the donor and the willing participation of community members from the congregation where both served as rabbis. The community members/congregation are willing to raise funds for the project.	Western Reserve Historical Society, Cleveland	smartin@wrhs.org	Associate Curator for Jewish History	I have been asked to coordinate the digitization of two large collections that are part of the Jewish Archives here at WRHS. These collections are from two prominent rabbis, Abba Hillel Silver and Daniel Jeremy Silver. This comes at the request of the donor and the willing participation of community members from the congregation where both served as rabbis. The community members/congregation are willing to raise funds for the project.
